## Sanitech Hygiene

Sanitech Hygiene was established in 1996 and currently provides coverage to the entire South Africa via its three branches in Johannesburg, Cape Town and Durban.

Sanitech Hygiene supplies, sells and maintains bathroom as well as change room fitments. It also offers products and services related to washing and drying hands, sanitisers, bins and fragrances.

## Brief History

Sanitech was founded in the early 1980's as the first portable toilet hire company in South Africa to supply sanitation facilities to areas in which no sanitation infrastructure existed.

## Waco Group

In 2007, Sanitech was purchased by Waco International - the leading forming, shoring and scaffolding and relocatable modular building service provider in the mining and resources, infrastructure, industrial maintenance, education, healthcare, entertainment events and construction sectors in the geographies it operates in.
